Pro Line 14+ Datasheet

The **KEY-MASTER Pro Line 14+** key cabinet has been carefully designed to simplify management of your keys and maximise security. Each key lock is located in a separate compartment, preventing other users from accessing or understanding your keys.
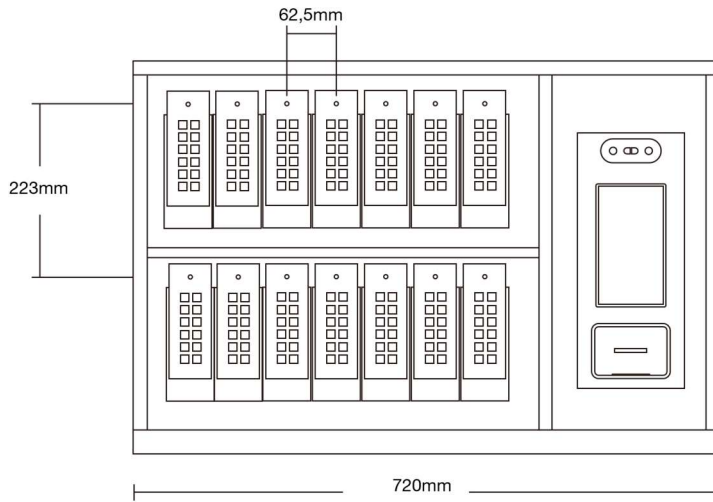

With these advanced features, the **KEY-MASTER Pro Line 14+** key cabinet offers not only convenience and efficiency, but also a high level of security for your key management.
Product features

- Independent storage
- User-friendly web-based key management software solution
- Networked or Standalone
- Notification emails
- Audible and visual alarms
- Multi-authentication supported
- Mechanical lock and internal memory backup during power outages
- Reliable anti-tamper cable seals for enhanced security
